Day 2: After breakfast, choose to either go scuba diving, snorkeling or reef fishing, with lunch break before an afternoon of fun in the sun and exploration. Following a light supper at the hotel, enjoy a night dive or snorkel at Hol Chan Marine Reserve to observe nocturnal life not usually seen during the day such as octopus, squid, lobsters, starfish and the entrancing bioluminescence. Conclude your day with a late-night bite to eat.

Chill out at The Split, a narrow waterway that divides the island in two. At the end of Caye Caulker is The Lazy Lizard, a watering hole where the beer is cold and water's warm. Unfurl a beach towel on the powder white sand and meet new people. Return to the hotel late afternoon for dinner in San Pedro and an evening at leisure.

Day 5: After breakfast, choose to dive or snorkel for the day. Transfer by boat to the Great Blue Hole, a UNESCO world heritage site near Lighthouse Reef noted for its spectacular stalactites. The second site is Half Moon Caye, known for its kaleidoscopic seascape. After lunch, the third site, the Aquarium, offers a variety of marine life living along its wall's edge. Return to the hotel for dinner in San Pedro and an evening at leisure.

Day 6: Following breakfast, enjoy a day of fun and exploration. Go shopping in San Pedro or spend an afternoon of sun and sand at Secret Beach. Lunch, dinner and evening are at leisure.
